

## Not a Garage Sale, but a Garage “UN”sale

**Hub City Church & PODS®, a leader in the moving and storage industry, reach out to help out people in their community.**

The garage Unsale started because Hub City Church in Spartanburg, South Carolina has a passion in reaching out to citizens in need. The idea of the Unsale works like a HUGE yard sale...except Hub City Church gives EVERYTHING away. They do not sell any of the donated items, as the idea is to supply people with items they could otherwise not afford to buy.

This year’s Garage Unsale will be held on Saturday, April 16<sup>th</sup>, from 7 am – 12 pm at the Beacon Drive-In on John B White, Sr. Boulevard, in Spartanburg, South Carolina, 29306, and All Saints Church will also be helping out in the project this year. A team from Hub City Church will meet at the Beacon-In on April 9 at 10 am and inform people in the area about the Unsale, so they know where they can get much needed items.

With the help of PODS, Hub City Church will collect items from people in Spartanburg to store in the PODS brand storage container until the actual day of the event. Ed McCrady, owner of PODS Upstate stated “This is our third year working with the Hub City Church and the Garage Unsale. PODS is always eager to be a community partner with events such as the Garage Unsale.”

Kevin Simmons of Hub City Church stated “Last year was the first time we tried it out and it was extremely successful. We gave almost everything we had stored in both containers donated by PODS. This will be the second annual event, with PODS sponsoring both years. We could not have done it without you guys!” Donations for the Unsale are being accepted at the Beacon Drive-In on April 13 – 15, from 5:00 to 8:00 pm.
