Meet PODS.

Whether you're moving, need storage or both, PODS is a better way to get the job done. No truck rentals, no time crunches and no hauling your stuff back and forth.

Move It.

We'll drop off a container at your home. Load it up then call us to pick it up. If you need us to, we'll store your container in our safe Storage Center, or deliver it straight to your new address whether across town or across country.

Store It.

We'll deliver a sturdy, weather-resistant container right where you need it. Keep it onsite for safe, immediate access. Or, we'll transport the loaded container to our clean, secure Storage Center.

*Available for a limited time only at participating locations. Offer void where prohibited by law. Please call for service locations. Must mention promotional code at time of order. Cannot be combined with any other offer. For local moves, 10% off initial local delivery and first month's storage, except when better discounts are in place locally. Additional mileage charges may apply if outside our standard delivery area. For inter-franchise moves between two different PODS company-owned and/or franchisee territories, 5% off first month's storage, administrative fees, and transportation costs. Offer void where prohibited by law: Oregon and Michigan.
