

# Stage. Store. Move. And save.

PODS is a smarter way to help your clients sell their home – and, after the sale, move to their next one. It's easy, a PODS® container can help your clients clear clutter for staging. So prospective buyers see more of their home and less of what's stacked up in it. Our process is simple: We deliver a container, they fill it up, then they keep the container on-site or at one of our many secure Storage Centers. After the sale, PODS delivers the container to their new home.

## How PODS works:

**We deliver.**  
We deliver an empty container to your clients at their convenience.

**They pack.**  
They fill the container their way, at their pace, and call us when they're ready.

**We store.**  
We can store their container in one of our secure Storage Centers.

**We move.**  
Or, we'll come pick up their container, and drive it across town or across the country.

## Moving

- No renting or driving a truck
- Pack at their own pace
- Local or long-distance

## Storage

- Secure, clean Storage Centers
- Lock it, and they keep the only key
- Pack once—no repacking
