

Move it. Store it. But please, take your time.

So, you're moving down the street, clear across the map, or maybe you just need storage. Either way, PODS® is a new way to help you move and store. We keep it simple by combining the perks of doing-it-yourself with the help of a reliable company.

It works like this:

We bring it.
We bring you an empty storage container.

You pack it.
You load it up when you want to. When you're ready, we pick up the container.

We store it.
We store it in one of our secure Storage Centers as long as you need it, then deliver it to your new home.
