

ATLANTA ARTS
FESTIVAL

Nationally Recognized Atlanta Arts Festival & PODS in Piedmont Park this Fall

PODS®, a leader in the moving and storage industry, supports the Atlanta Arts Festival with a PODS brand storage container on September 17 & 18, 2011.

The Atlanta Arts Festival takes place this September 17 and 18 in picturesque Piedmont Park and is a free event you won't want to miss. Two hundred skilled artists from across the country were carefully selected by a professional jury in 12 mediums: jewelry, painting, photography, ceramics and sculpture, leather and metal, glassblowing, wood and more. With a palette of artwork as diverse as the cultural city the festival calls home, Atlanta's large art buying community will find unique pieces to add to their collection, shop for distinctive décor to complete any room in their home or office, and discover one-of-a-kind jewelry to accentuate their individual style. Price ranges vary, so every patron can expect to find something special that fits their taste and budget. The festival also features artist demonstrations, live music, crafts for the kids, festival food and beverages and more!

With the wide range of events happening at the festival, it was necessary to have a place to store festival merchandise as well as logistical supplies and equipment. Ed McCrady, owner of the PODS Atlanta franchise, discounted a PODS brand storage container for this purpose. "We have been a partner with the Atlanta Arts Festival for several years and enjoy supporting community events such as this."

Tracy Tepp, the Festival Organizer and Co-Founder says "We have used PODS for several years at our festival - both for short term temporary storage at the festival, and long term storage in their warehouse. We are very satisfied with both. They are easy to work with and dependable. They are also very supportive - providing donations and discounting and are a great in-kind sponsor year after year! We would highly recommend them to anyone needing temporary or long term storage."
