

Getting to Know Thy Neighbor: Grace Midtown Yard Sale & PODS

This summer, Grace Midtown Church members wanted to hold a Yard Sale in their neighborhood to get to know their community better, make some new friends, and to downsize their personal possessions. They had outgrown their building, and having their entire church family bring their extra things into the building was out of the question.

Nathan Gallentine, Missions Director of Grace Midtown Church, said "We contacted Ed at PODS Atlanta and he worked with us to get an amazing temporary solution. Their team is on the ball, professional and incredibly helpful. The drop-off took ten minutes and really honored our time by being on time. I honestly can't say enough good things. After this great experience, I'm sure the congregation is going to be thinking PODS next time they need moving or storage."

"PODS Atlanta is pleased to be participating and supporting events in our community," says Ed McCrady, owner of PODS Atlanta.

Donated items for the Grace Midtown Yard Sale can be brought to Grace Midtown Church, located at 1095 State Street, Atlanta, GA, 30318 on Sunday, May 22nd, and Sunday, May 29th, as well as on the day of the yard sale itself. All proceeds from the Yard Sale will go the Grace Midtown building fund and campus expansion. The Yard Sale will take place on Saturday, June 11th from 8 am – 2 pm. To make it extra fun, there will be a grill out, with an outdoor party for the community.

About Grace Midtown

Grace Midtown is a fairly new church with a passion for God and the community. At the core, they are a family of people from diverse backgrounds who have embraced Jesus Christ and His amazing offer of rescue and relationship. They meet together weekly to explore the Bible, celebrate the Lord with music, and share in the lives of others who are pursuing the heart of God. For more information, visit their website at <http://midtown.gfc.tv/> or call 404.874.9008.

About PODS Enterprises, Inc.

Founded in 1998, PODS currently provides moving and storage services to more than 240 million consumers in 48 U.S. states, Canada, Australia and soon the United Kingdom through its company-owned and independent franchise network. To date, the PODS network has completed more than 250,000 long-distance relocations, exceeded 1 million deliveries and has more than 140,000 PODS® containers in service.

PODS® secure containers are constructed of a steel frame and are available in two sizes: approximately 8-by-8-by-12 feet and 8-by-8-by-16 feet. The 12-foot and 16-foot containers have been tested to withstand winds of more than 110-mph when partially loaded. For more information or to schedule service, visit PODS.com or call 800-776-7637.
