

## Snellville Days Festival & PODS Atlanta Bring Families Together

**PODS®**, a leader in the moving and storage industry, will provide containers to be used for general storage and storage of small utility vehicle equipment for the Snellville Days Festival.

Snellville Days is an annual celebration featuring over 150 handmade craft and food vendors, a children's activity area, continuous live entertainment, a FREE Saturday evening concert and much more... lots of fun for the entire family! This year it will be held in Briscoe Park on Saturday, May 7, 2011 from 10 am to 6 pm and Sunday, May 8<sup>th</sup>, from 10 am – 5 pm.

The Festival's theme this year is "Bringing Families Together" and the South Gwinnett Co-op is the Grand Marshal for the parade. Canned goods will be collected as donations in designated spots at both the parade and at the Festival at Briscoe Park. Donations can be dropped off all weekend during the festival hours at the Welcome Tent.

Ed McCrady, owner of PODS Atlanta, is donating a PODS brand storage container for the Snellville Days Festival. "PODS has worked with the Snellville Days Festival for several years now. We are delighted to donate a PODS brand storage container to Snellville again this year and hope to partner with Snellville for years to come."

"For the Snellville Parks and Recreation Department, the use of the PODS containers during our Festival is not just convenient, but it also allows for an efficient use of time and staff resources. By placing the POD storage unit in a central location and stocking it with general supplies, time is saved by staff who would normally have to go to the far end of the property to re-stock low janitorial supplies or to secure equipment. PODS is a practical temporary solution for us during our Snellville Days Festival and a solid partnership between the City and PODS," states Lisa Platt, Director of Parks and Recreation for the City of Snellville.

Bring your family to join other families at this fun-filled event! For more information, visit the city website at [www.snellville.org](http://www.snellville.org) and click on the tab on the left side of the home page marked Snellville Days Festival.

### **About PODS Enterprises, Inc.**

Founded in 1998, PODS currently provides moving and storage services to more than 240 million consumers in 48 U.S. states, Canada, Australia and soon the United Kingdom through its company-owned and independent franchise network. To date, the PODS network has completed more than 250,000 long-distance relocations, exceeded 1 million deliveries and has more than 140,000 PODS® containers in service.
