

Christmas Tree Fundraiser Supports Students

PODS®, a leader in the moving and storage industry, is providing a PODS brand storage container to support Segue Ministries' Christmas Tree Fundraiser.

Segue Ministries has been putting on a Christmas Tree Fundraiser to help support their various programs for middle and high school students. They will sell beautiful Fraser Fir Christmas trees from a lot located at 4537 Chamblee Dunwoody Road. In its first year as a fully independent non-profit, Segue expects this year's Christmas Tree Fundraiser to help fill gaps in their financial budget, as well as spread awareness about the various programs that Segue offers to local schools. The tree lot also provides a great opportunity for students in the community to give back, by working at the tree lot to gain work hours for school service clubs.

Segue Ministries has a partnership with businesses such as PODS – Portable On Demand Storage, who has donated a PODS brand storage container for the safe storage of equipment, and to serve as a cashier booth for the tree lot. "In preparing for our tree lot, we knew we would need a way to keep equipment secure, and to provide simple shelter for our workers, said Brian Abernathy, Segue Ministries Business Manager. "PODS was the first thing that came to mind. The simplicity of delivery and the security of the PODS, were perfect for our needs. Everyone at PODS was extremely helpful in getting us setup with what we needed." In response, Ed McCrady, owner of PODS Atlanta, said "PODS is pleased to be able to support events in our community, and we are glad we could help out."

You can go directly to the Segue's Christmas Tree Lot, located at 4537 Chamblee Dunwoody Rd, in Dunwoody, right next to the Burger King. The lot has open hours from 12 pm – 5 pm on weekdays, 10 am – 9 pm on Saturdays, and 1 pm – 7 pm on Sundays. They will even deliver your tree for a few dollars more. You can contact them at christmastrees@segueministries.org.

About Segue Ministries

Segue was officially established September of 2008. But the dream of Segue began long before that. It was born out of the acknowledgement that para church organizations are great at outreach ministry when it comes to middle and high school students, but often fall short when it comes to discipleship and connecting kids back to the church. Another observation that was made, was that the church is great at disciplining and raising mature believers among middle and high school students, but often falls short at outreach ministry to the schools. Our attempt to "segue" the two together, is Segue Ministries Inc., which is located at 3883 Rogers Bridge Rd NW, Ste. 203B, Duluth, GA, 30097. You can also reach Segue Ministries at 404-723-3010, or email them at info@segueministries.org.
