Shriners Hospitals for Children® and PODS Combine to Bring Some Holiday Cheer for Young Patients!

PODS®, a leader in the moving and storage industry, is providing a PODS brand storage container to store Santa's gifts.

Shriners Hospitals for Children® — Greenville, has a very special holiday tradition: Santa's Workshop, which opens the first day of December and runs through the holiday season. The workshop is a winter wonderland with icicle lights, glowing snowmen, ornaments, and lots of toys! After each clinic appointment, patients are invited to visit the workshop and receive their holiday goodies. It's Shriners Hospitals for Children — Greenville's way, of wishing our patients a happy holiday season.

With the overwhelming generosity of local donors, the hospital does not have room to store all of the toys and goodies. PODS Upstate has generously donated a unit to help hold all of Santa's surprises. "We are grateful to have PODS Upstate help us out each year with storage for Santa's Workshop. By providing a place for us to hold all of the donated toys, we are able to provide gifts for many more children than we would otherwise," says Randy Romberger, Administrator of Shriners Hospitals for Children® — Greenville.

Ed McCrady, owner of PODS Upstate, said, "When children have to be away from home during the holiday season, it is a good thing they can be in a supportive environment at the Shriners Hospitals for Children. It is with great pleasure that PODS can contribute to such a worthwhile event, and bring some holiday cheer to children as they focus on their healing."

About Shriners Hospitals for Children

Shriners Hospitals for Children is a health care system of 22 hospitals dedicated to improving the lives of children by providing pediatric specialty care, innovative research, and outstanding teaching programs for medical professionals. Children up to age 18 with orthopaedic conditions, burns, spinal cord injuries, and cleft lip and palate are eligible for care and receive all services in a family-centered environment, regardless of patients' ability to pay. For more information, or if you know a child who could benefit from our specialized services, please visit: www.shrinershospitalsforchildren.org or call 1.866.459.0013.

About PODS Enterprises, Inc.

Founded in 1998, PODS currently provides moving and storage services to more than 240 million consumers in 48 U.S. states, Canada, Australia and soon the United Kingdom through its company-owned and independent franchise network. To date, the PODS network has completed more than 250,000 long-distance relocations, exceeded 1 million deliveries and has more than 140,000 PODS® containers in service.

PODS® secure containers are constructed of a steel frame and are available in three sizes: approximately 8-by-7-by-7 feet, 8-by-8-by-12 feet and 8-by-8-by-16 feet. The 12-foot and 16-foot containers have been tested to withstand winds of more than 110-mph when partially loaded. For more information or to schedule service, visit PODS.com or call 800-776-7637.
