

Staging is easier with PODS.

This offer is brought to you by your RESA professional home stager.

We all know that a clean, uncluttered home, sells faster and for a higher price. PODS® helps make decluttering easier and more convenient by bringing a ground-level container right to you.

So, take your time packing, because it's the same affordable price for 1 day or 30. Then, we'll pick up your container and keep it in one of our many clean and secure Storage Centers, so your belongings are safe and out of site. And when you're ready, PODS will move your container — across town or across the country.

Here's how it works:

We bring it.
We bring you an empty storage container.

You pack it.
You load it up when you want to. When you're ready, we pick up the container.

We store it.
We store it in one of our secure Storage Centers as long as you need, it then deliver it to your new home.
