## CAPABILITY STATEMENT

In the event of an emergency, you need support from professionals with proven disaster response experience - and you need it fast. PODS is your solution. We provide quick, convenient and flexible ways to store and transport equipment without the hassle of having to coordinate with separate fleets, agencies or storage facilities. Our services include: On-site Storage, Off-site Storage, Local and Long Distance Moving and Secure Storage, all in over 230 Storage Centers in four countries. We are fully equipped to take on any project and help to reduce storage costs, claims and employee stress. To learn more, please visit our website at [PODSforBusiness.com](http://PODSforBusiness.com).
