

# We deliver. You pack. We store. We move

Whether you're moving down the street, across the country, or into storage, PODS will make the experience better than it's ever been. Imagine packing at your own pace. On your timetable. To your standards. Then leaving the driving to someone else—and leaving the hassles behind.

## How PODS works:

**We deliver.**  
We deliver an empty container to you at your convenience.

**You pack.**  
Fill the container your way, at your pace, and call us when you're ready.

**We store.**  
We can store your container in one of our secure Storage Centers.

**We move.**  
Or, we'll come pick up your container, and drive it across town or across the country.

### Moving

- No renting or driving a truck
- Pack at your own pace
- Local or long-distance

### Storage

- Secure, clean Storage Centers
- Lock it, and you keep the only key
- Pack once—no repacking
